## **EMBASSY OF THE REPUBLIC OF NAMIBIA**

---

**Dear participants, organisers and guests of MITT 2026!**

I would like to express our sincere gratitude to the Government of the Russian Federation and the organisers, for the invitation to participate in this prestigious 32<sup>nd</sup> International Travel and Hospitality Show MITT, a valuable event that unites industry leaders, innovators, and travellers committed to the tourism industry.

Namibia's Endless Horizons offer a truly unique destination, from the iconic red dunes of the Namib Desert, the dramatic Atlantic coastline to rich wildlife, vibrant cultures, and unspoiled landscapes. Our tourism representatives from across destination management companies, accommodation providers, tour operators, conservation partners, and community-based enterprises are ready to engage, showcase diverse offerings, and build meaningful partnerships.

We thank the organisers of this important platform and wish exhibitors successful engagements, while inviting visitors to discover and choose Namibia as their preferred destination.

Namibia our Land, Our Pride!
